NEW

TOUGH CALLS

We are back with a new slate of tough calls from the 2022 Basketball Champions League season!

If you want to improve your understanding as a referee when it comes to making decisions, learning from others is a great resource. Take a look at the plays & analysis throughout the round of 16:

CANADA BASKETBALL OFFICIALS DEVELOPMENT PROGRAM EXECUTIVE SUMMARY

The Canada Basketball Referee Development Program is a comprehensive development pathway from helping run local community league games to being a FIBA referee at international events. This programme has been developed by the Canada Basketball Officials Commission in partnership with Provincial Officials Associations. It is based on the Canada Basketball Long Term Development Plan, and aligns the referee framework with player and coach frameworks, competitions and tournaments.

SÉBASTIEN GAUTHIER'S PASSION FOR RULES LEADS TO 30-YEAR OFFICIATING CAREER

Sébastien Gauthier has always been a leader. Whether he is officiating stand-up and wheelchair basketball games or he is holding officiating clinics to help younger officials learn the ropes, Gauthier has always wanted to give back. Though his own playing career ended after he turned down a basketball scholarship to go to firefighting school, Gauthier has spent the last 30 years giving back to the sport through officiating while giving back to his community through his career as a firefighter.
